Cremation Urn Volume

Is this the right size urn?

This urn is designed for a loved one with a healthy weight of 180 pounds or less before cremation.

Product Information

Availability:

Usually ships same or next business day. If custom personalization is selected, item will ship in 1-2 business days.

Exterior Dimensions:

6-1/8" W x 10-1/2" H

Volume:

180 cubic inches

The Seafoam Celtic Knot Cross brass cremation urn is crafted from genuine solid brass. This urn has a top-opening with a secure threaded lid.

Optional Eternal Embrace Pendant

Turn pictures, art, and words into a beautiful Eternal Embrace Pendant. Pictures and/or words are permanently engraved on to the pendant. Text engraving can be up to 2 lines with a total of 25 characters per line and will be done on the front or back of the pendant. You can also choose to do photo engraving on the pendant. Includes 36" of silver satin ribbon. **If pendant option is not selected, the Eternal Embrace Pendant will not be included with the urn.**

The Eternal Embrace Pendant is made with a unique process in which thousands of small impressions are made into the metal. The image to the left helps illustrate how the pendant reveals itself at different angles and lighting conditions. This unique characteristic presents a subtle but distinct presentation.

This keepsake offers you a lasting, tangible remembrance of your loved one. Its durable construction and timeless design creates an elegant pendant that will be appreciated and may be handed down from generation to generation.
