The Medium Red Zebra Marble Grecian cremation urn is made from polished genuine marble. This cremation urn has a top-opening lid. **Due to the nature of marble, patterns and colors will vary with each cremation urn.**

Optional Engraving
An optional engraving can be done in either a script or block style font. Engraving can be up to 2 lines with a total of 35 characters on each line.

Why choose engraving?

Engraving your memorial helps to permanently identify the urn. Personalization helps make the memorial for your loved one personal and unique. Some cemetaries can require direct engraving for identifcation purposes. In the incident of being misplaced or lost the engraving can help return the memorial back to it's proper location.

I cried when I took my URN out of the box .
It is so beautiful and the highest quality , that you can imagine .
It is very fitting to hold my son's precious remains .
It came in the mail quickly and packed in a nice box .
I even got a phone call later that evening from Perfect Memorials , making sure I was 100% satisfied .
That is service !
