Losing You

Our hearts still ache in sadness,
And secret tears still flow,
What it meant to lose you,
No one will ever know

Never Forget

Your presence we miss
Your memories we treasure
Loving you always

Forgetting you never

Butterflies to Heaven

If butterflies could fly to Heaven
they would bring my love to you
and yours right back to me

If Tears Could Build a Stairway

If tears could build a stairway
and memories a lane
I would walk right up to Heaven
and bring you home again

Forever in My Heart

Gone, yet not forgotten
Although we are apart
Your spirit lives within me
Forever in my heart

When Someone You Love

When someone you love
becomes a memory,
the memory becomes a treasure

No Farewell Words

No farewell words were spoken,
no time to say goodbye, you were
gone before we knew it,
and only God knows why

Those We Have Held

Those we have held
in our arms for a little while,
we hold in our hearts forever

Perhaps the Stars

Perhaps the stars in the sky,
are loved ones letting us know they are near,
by guiding us through the night

If Love Could Have Saved You

If love could have
saved you, you would
have lived forever

This photo frame urn is so beautiful. It is much richer-looking than you can tell from the pictures.

If I had any suggestions at all for improvement, I'd like to see the ashes compartment be separate from where you insert the picture so you could change the photo without disturbing the ashes. However, once I put my mom's photo in the frame and place the ashes inside, I should not need to open it again. I will, however, leave the ashes in the plastic bag they came in.

I love the urn and the engraved plaque is beautiful! I am very pleased with my purchase! Thank you so much!

I bought the urn for a friend who lost his mother as a token of my love to him and his family. The reviews from his family were absolutely that of pleasing gratitude. Because of the satisfaction I got last year from using Perfect Memorials for my brother, I knew this was the place to go and will be if need arises again. Thank you for your outstanding work and products.

Believe me, the product photos on the website do not do justice to the product you receive. I ordered the Versa Large Plaque Urn in Oak Wood Finish. It is absolutely gorgeous! The tag is perfect too. And the price is just right!
