This locket is beautiful, and it also has a great weight to it. Not cheap! The engraving was perfect. What a bargain for the price. More than I expected! And it arrived in only 3 days. I will be recommending Perfect Memorials to everyone. Great selection of memorial items and incredibly fast service.

I just received my shipment which included this locket. Like so many other people who've commented on the quality of the items they've received, I will agree that this item is also very good quality. It is heavy and not cheap feeling. It is a good size locket, not overly large and not tiny...almost the

size of a Susan B Anthony coin, the circumference is maybe a hair bit wider if not the same size. I don't really care for the chain, but that wasn't why I bought it. The chain can easily be switched. Shipping was faster than any company I've dealt with. I ordered on Monday and it was delivered, complete with engraving, on Thursday. Fabulous company to do business with. Thank you!
