Recommended for indoor display only.

Depending on the provided image, lighting and contrast, the final product will vary. Our engraver makes the best effort possible to make each image memorial plaque the highest quality possible. **After you place your order we will send you an e-mail on where to send the photo. Woodgrain varies with each urn.**

Optional Engraving

An optional engraving can be done in either a script or block style font. Engraving can be up to 5 lines with a total of 35 characters on each line. Engraving will be done directly on the top of the urn.

Why choose engraving?

Engraving your memorial helps to permanently identify the urn. Personalization helps make the memorial for your loved one personal and unique. Some cemeteries can require direct engraving for identification purposes. In the incident of being misplaced or lost the engraving can help return the memorial back to it's proper location.

Poem choices:

Losing You

Our hearts still ache in sadness,
And secret tears still flow,
What it meant to lose you,
No one will ever know

Never Forget

Your presence we miss
Your memories we treasure
Loving you always
Forgetting you never

Butterflies to Heaven

If butterflies could fly to Heaven
they would bring my love to you
and yours right back to me

If Tears Could Build a Stairway

If tears could build a stairway
and memories a lane
I would walk right up to Heaven
and bring you home again

Forever in My Heart

Gone, yet not forgotten
Although we are apart
Your spirit lives within me
Forever in my heart

When Someone You Love

When someone you love
becomes a memory,
the memory becomes a treasure

No Farewell Words

No farewell words were spoken,
no time to say goodbye, you were
gone before we knew it,
and only God knows why

Those We Have Held

Those we have held
in our arms for a little while,
we hold in our hearts forever

Perhaps the Stars

Perhaps the stars in the sky,
are loved ones letting us know they are near,
by guiding us through the night

If Love Could Have Saved You

If love could have
saved you, you would
have lived forever

Unbelievable quality that exceeded my expectations. The engraving was beautiful as well as the picture. The urn is high quality also. Just be careful what you rest the picture part of the urn on as I gently laid it down to put the ashes inside and it nicked a piece of the picture off. Make sure to lay it down on something soft when resting it on the picture side. I'm so happy with this purchase. The perfect resting place for my dog Jaws, the one he deserves.

Perfect memorial. Many thanks!

We recently lost our beloved Irish Wolfhound who was 11 years old. The entire family was deeply affected. My eldest daughter asked if we could have the dog cremated and that she could keep his ashes; she was very attached to him.

I went online and ordered this cube urn and emailed them a photograph of our dog. They engraved the photo and it is of high quality. The cube is very nicely made. My daughter is very happy. The price was also quite reasonable.

Thank you for providing us with such a nice memorial for our dog.
