Nice. Would like to be able to remove the plaque.

Perfect Memorials Comment:

Thank you for your order and feedback. We apologize for the inconvenience in this matter. The plaque inside of the jewelry box is meant to be placed permanently inside the box. Unfortunately, there is no way to

omit the plaque in this jewelry box. However, we do sell separately a smaller plain velvet box that does not have the plaque space. We do again apologize for the confusion. If you should have any further questions please let us know, thank you.
