Black Pearl In A Diamond Stainless Steel Cremation Jewelry

Our keepsake pendants bring memories to an even more personal level by holding a small portion of cremated remains, a lock of hair or dried ceremonial flowers. The pendants may be worn or displayed in a glass dome. Easily seals with a threaded stopper screw.

This beautiful piece of jewelry is created and designed by a professional jeweler. Our jewelers create each cremation pendant one at a time with a highest level of precision and detail possible.

The use of glue is recommend to permanently seal the pendant. We encourage using a modeling glue or epoxy to make a permanent seal.
