Our 44" sonnet chimes have 5 heavy walled, center pinned tubes that emit deep tones. All aluminum construction, durable powder coated and anodized finish, and strung with industrial cord. Each chime has an adjustable striker. Tubes are 1.25" diameter, sentiment is printed directly onto the tubes.

Each Chime Tube Reads: Amazing Grace how sweet the sound, that saved a wretch like me. I once was lost but now am found, was blind, but now I see. T'was grace that taught my heart to fear, and grace, my fears relieved. How precious did that grace appear the hour I first believed. Through many dangers, toils and snares we have already come. T'was grace that brought us safe thus far, and grace will lead us home.
