Love In My Heart Stainless Steel Cremation Jewelry
Our cremation jewelry brings memories to an even more personal level by holding a small portion of cremated remains, a lock of hair or dried ceremonial flowers. The pendants may be worn or displayed in a glass dome. Easily seals with a threaded stopper screw. Stones are cubic zirconia.

This beautiful piece of jewelry is created and designed by a professional jeweler. Our jewelers create each cremation pendant one at a time with a highest level of precision and detail possible.

The use of glue is recommend to permanently seal the pendant. We encourage using a modeling glue or epoxy to make a permanent seal.

The picture does not do the pendant justice. It looks so much prettier and richer in person. It also is nice that it isn't an over the top memorial piece. Unless you tell people, they don't have to know there are ashes in it. Definitely will use Perfect Memorials Again.
