Hand Painted Orange Cat Figurine Cremation Urn

Remember your beloved feline friend with this lovely cat cremation urn. Made from cold cast resin to allow for careful detailing and a light weight, the Hand Painted Orange Cat Figurine Cremation Urn features the figure of a cat, resting on patiently on his bronze pedestal. The cat is beautifully hand painted to bring out the details. A panel opens in the bottom of the urn so that you can place your cat's cremains inside; four screws keep it securely closed. The bottom also features a soft felt covering to protect the surface of your furniture.

Optional Engraved Plaque

Add optional engraving to your urn to make it more personal and so that there will be no question about who the cat urn is honoring. Our talented engravers can add up to 4 lines of text in script or block font. You may include up to 25 characters on the first line and 60 on the remaining three. Optional artwork may also be added from the choices above. In addition, you can include an optional poem plaque for on the back of the urn, engraved with one of the 10 different poems shown below.

Poem choices:

Losing You

Our hearts still ache in sadness,
And secret tears still flow,
What it meant to lose you,
No one will ever know

Never Forget

Your presence we miss
Your memories we treasure
Loving you always
Forgetting you never

Butterflies to Heaven

If butterflies could fly to Heaven
they would bring my love to you
and yours right back to me

If Tears Could Build a Stairway

If tears could build a stairway
and memories a lane
I would walk right up to Heaven
and bring you home again

Forever in My Heart

Gone, yet not forgotten
Although we are apart
Your spirit lives within me
Forever in my heart

When Someone You Love

When someone you love
becomes a memory,
the memory becomes a treasure

No Farewell Words

No farewell words were spoken,
no time to say goodbye, you were
gone before we knew it,
and only God knows why

Those We Have Held

Those we have held
in our arms for a little while,
we hold in our hearts forever

Perhaps the Stars

Perhaps the stars in the sky,
are loved ones letting us know they are near,
by guiding us through the night

If Love Could Have Saved You

If love could have
saved you, you would
have lived forever

This urn was perfect for my Sam-E's ashes. He was an orange, fluffy (half Maine coon) cat.
It's a good, solid urn. You have to apply the engraving label yourself (it is a peel and stick), which there is a separate envelope in the box (between the shipping box & the packing box) which contained the label. I did order the label with hearts but got paw prints instead (invoice confirmed the hearts). I would have much rather had the hearts for personal reasons but the paw prints will do.

We needed something special for our kitty who passed, this is the perfect urn. Well made and very nice as a display item. The engraving and options are great as well.

I have used this company before some years ago and it was my first choice again. When you truly want to remember your companion and family member this is way to do it. It arrived quick, order process was easy and quick. We were grieving the loss of our kitty and this simple, efficient process is the reason I chose Perfect Memorials again.

They are the best, and when the time comes again I will not hesitate to use them again.
