I bought the engraved heart in memory of the daughter I lost.It came in a beautiful box. When I opened the box I cried,the photo was so clear and it looked like it came from a jewelry store. Very good quality, I just love it. The chain was pretty too and a good length.

I bought this as an anniversary gift for my sister in law from my brother. He died very unexpectantly and they had such a great love..... I wanted her to know he is with her always. It is beautiful and she wears it constantly. I am ordering 10 more to give as keychains for my parents , my other siblings and his 2 teenage sons.March will mark the 1 year anniversary of his death. Great way to always have him with us.
