Footprints Heart Sterling Silver Cremation Jewelry

Our keepsake pendants bring memories to an even more personal level by holding a small portion of cremated remains, a lock of hair or dried ceremonial flowers. The pendants may be worn or displayed in a glass dome. Easily seals with a threaded stopper screw.

This beautiful piece of jewelry is created and designed by a professional jeweler. Our jewelers create each cremation pendant one at a time with a highest level of precision and detail possible.

The use of glue is recommend to permanently seal the pendant. We encourage using a modeling glue or epoxy to make a permanent seal.

Optional Engraving

An optional engraving can be done in either a script or block style font. Engraving can be up to 2 lines with 11 characters per line. Engraving will be done on the back of the pendant.

I ordered the Footprints Heart Sterling Silver necklace in honor of our son, Casey, born at 4 months pregnancy. It is just perfect.... and his name & birthdate engraved on the back is an extra special touch. Very good quality, heavy silver pendant. I love it :)

My mother passed away seven months ago, and her wishes were to be cremated. Her favorite poem was Footprints in the Sand. This piece is an absolutely beautiful way to memorialize her and keep her close to my heart. Thank you so much! It even came several days earlier than expected delivery date. I couldn't be more pleased.

I was looking for an engravable memorial necklace & this one was PERFECT...exactly what I had been looking for. The pendant is heavyweight & even prettier in person. The engraving on the back is lovely and I was able to put more characters per line than any other piece I had looked at.
